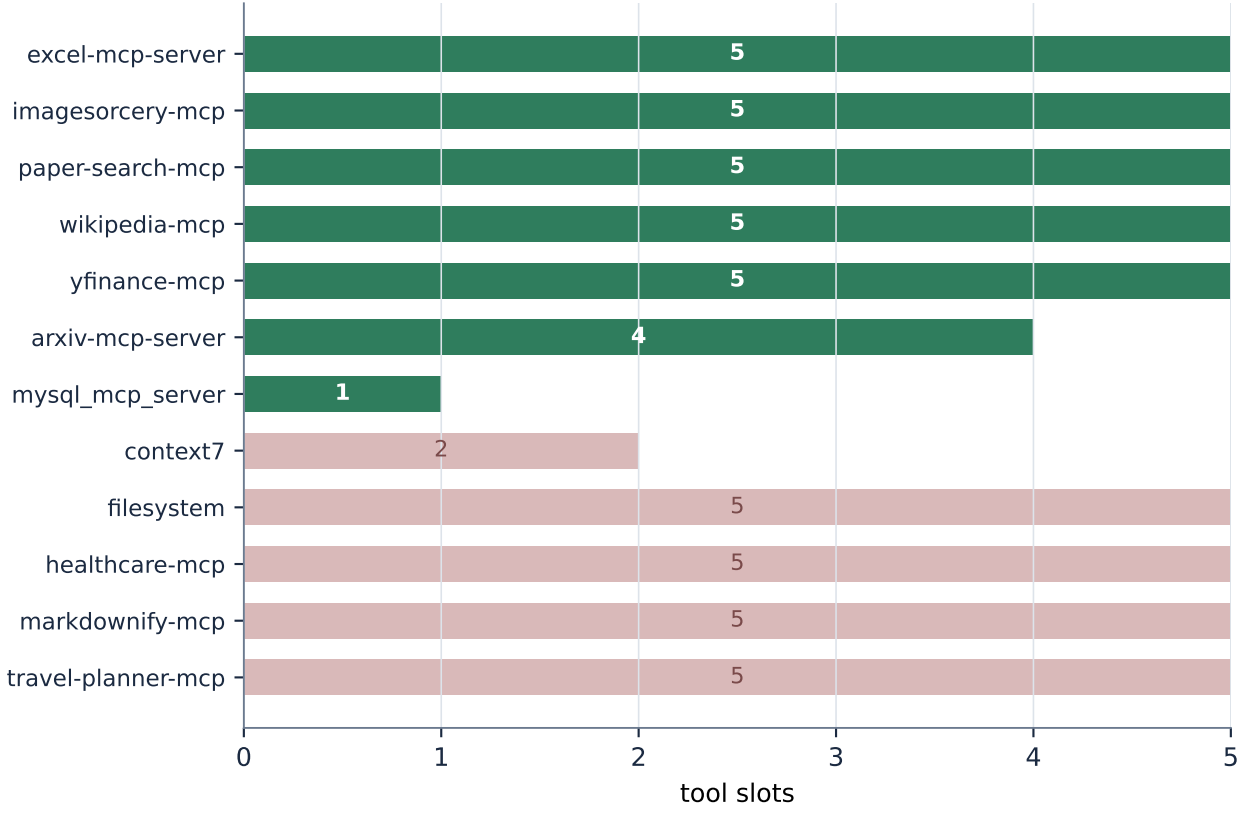
Figure 1 — Dataset coverage of the independently collected corpus

(a) Recovered corpus coverage by server



(b) Language coverage

12 / 12

paper servers recovered at pinned commits

30 / 30

Python tool slots discovered and sliced

22

paper tool slots we cannot slice (TypeScript / JavaScript)

No TypeScript parser is implemented, so these slots are excluded, not estimated.

Python tools sliced

paper slots not sliced (JS/TS)
